

NEON NIGHTS WITH A COLLECTION OF GLOW-IN-THE-DARK DILDOS

LIQUID SILICONE

COMPATIBLE WITH PANTIES

BENDABLE

EASY TO WASH

DEMANDED SIZES

FLEX AS YOU LIKE

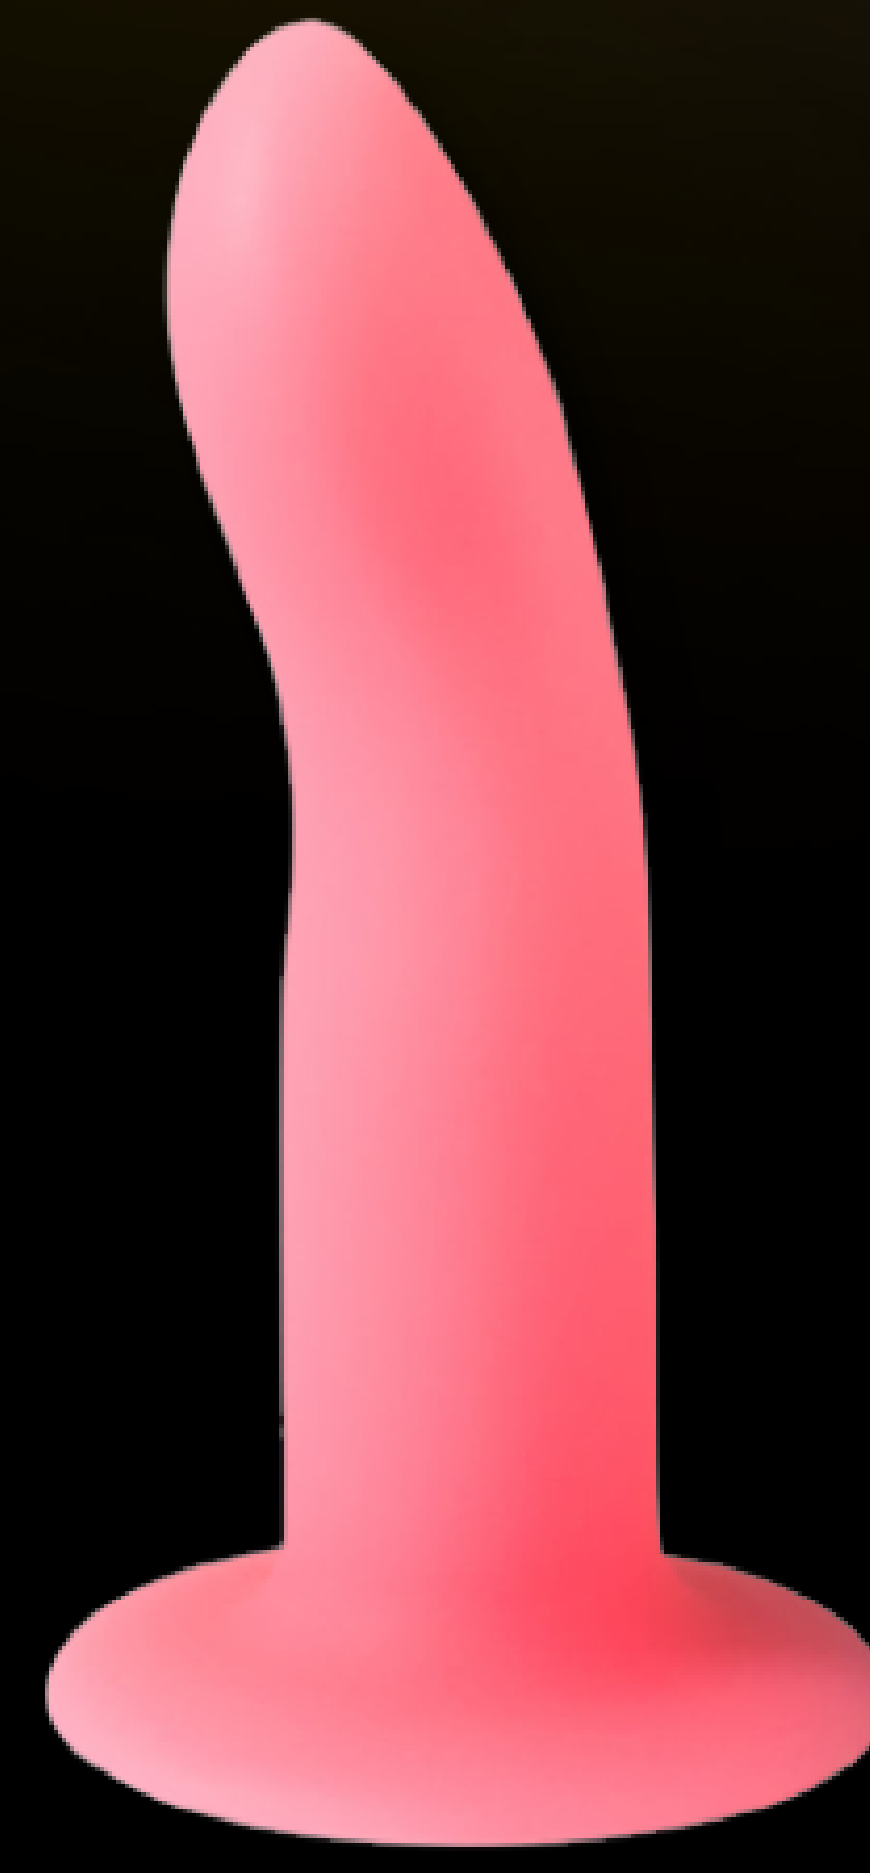

The Techno toys are made of incredibly soft to the touch liquid silicone, which does not contain phthalates and is safe for the skin and mucous membrane.

The convenient form of Techno dildos is suitable for both G-spot and prostate stimulation.

The smooth seamless material is able to withstand any temperature and is easy to care for, while the powerful suction cup at the base allows you to fix the dildo on any flat surface.

NEON DRIVER

LIGHT KEEPER

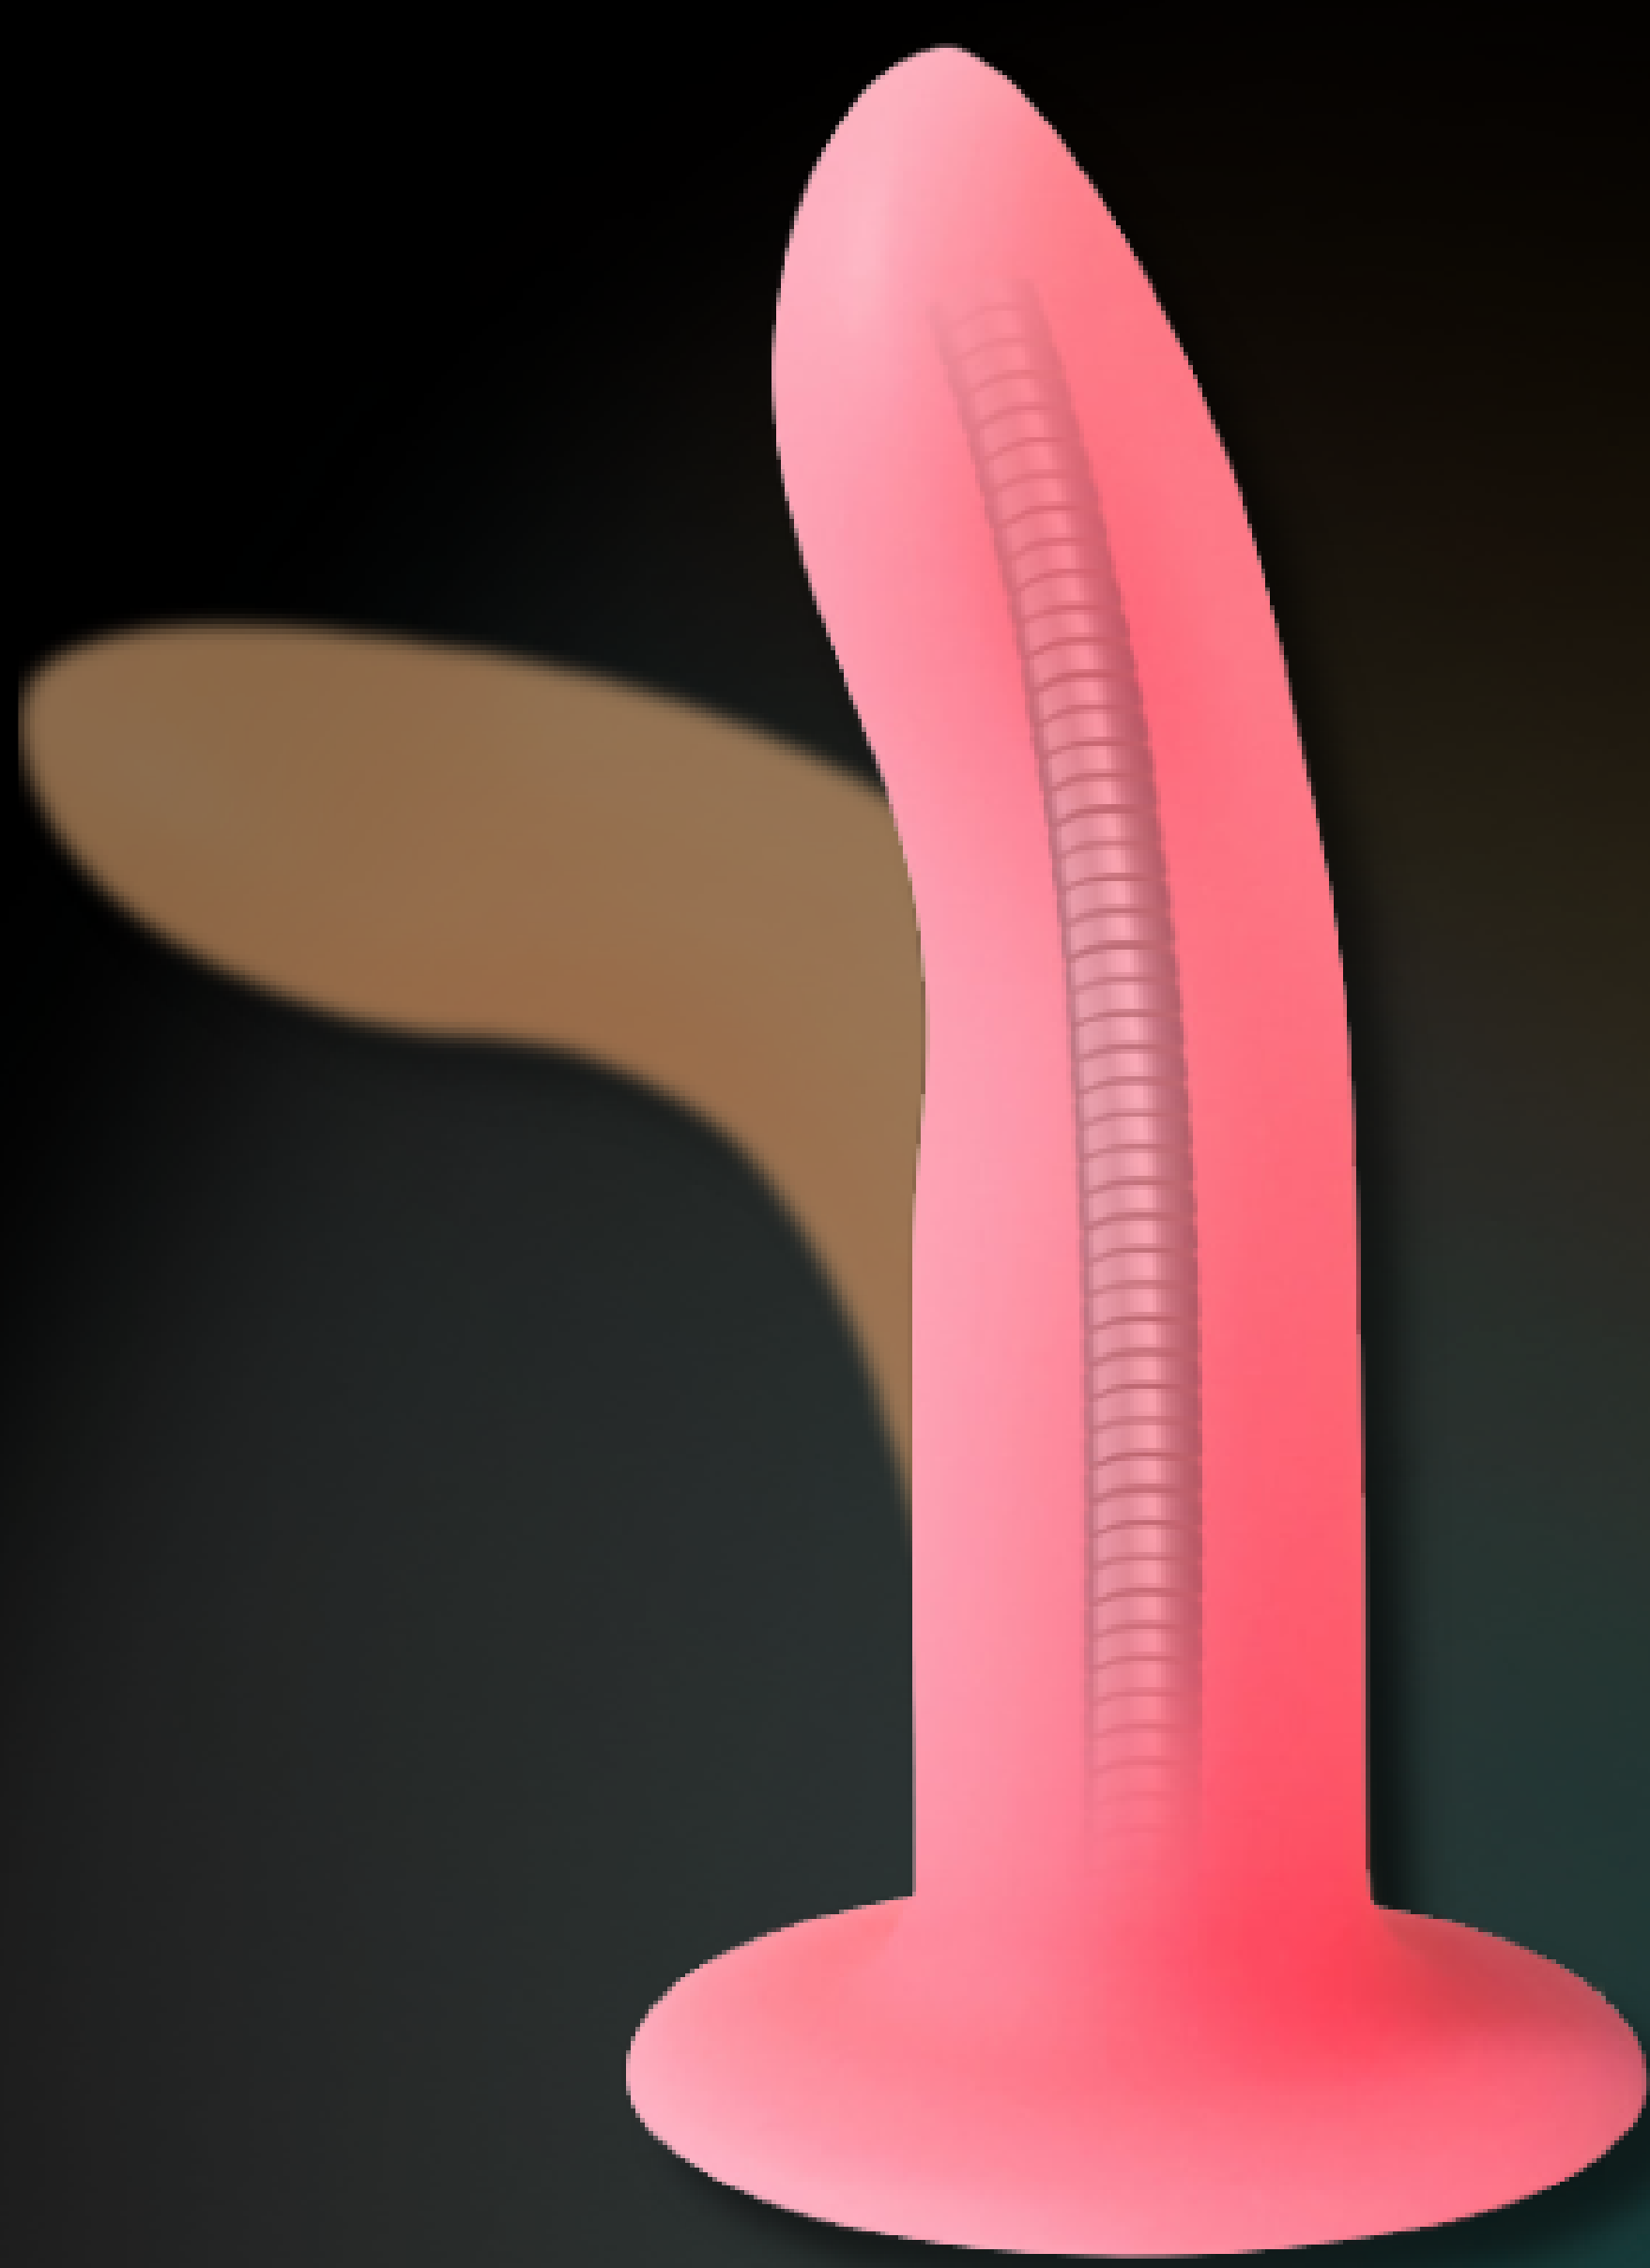

changes its color in the dark

2,9 cm

13 cm

In the Techno collection you can also find unrealistic dildo with flexible and reliable frame inside that allows you to fix the toy in any position. It adapts to the curves of each user's body, bringing unforgettable pleasure.

Each dildo is compatible with any lubricants. All toys from the Techno collection are carefully stored in an eco-friendly bag inside a completely cardboard box.
