

LOVE STORY

A collection of stimulators for conscious training of the pelvic floor muscles, made with care for women's health.

Love Story vaginal balls are designed to help strengthen the pelvic floor muscles. Regular use of balls can improve muscle tone, increase vaginal sensitivity, enhance sexual pleasure, and reduce the risk of pelvic floor disorders.

All balls are divided in three levels: easy, medium and hard. Focusing on them, each user can easily navigate the choice. Easy level is suitable for those who have relaxed muscles and are just starting to train. They have a large diameter and light weight, thus, it will be easiest to keep them inside without preparation. Medium level has a diameter from 2.8 to 3cm and is suitable for those who are either ready to move on to a more complex level, or it's possible to start training with this level if there was no natural childbirth in the anamnesis. Hard level has a small diameter and is suitable for those who already have a serious level of training.

The collection includes balls with both

- fixed weighing compound inside, adding weight to intensify your workout and maximize results
- a displaced center of gravity that creates an acoustic vibration during training thereby adding impact on the muscles.

EASY LEVEL

ONE THOUSAND AND ONE NIGHTS

THE FIREBIRD

EASY AND MEDIUM LEVEL

VALKYRIE

CARMEN

MEDIUM LEVEL

FLEUR-DE-LIS

EMPRESS

DIARIES OF GEISHA

SCARLET SAILS

HARD LEVEL

DIVA

CLEOPATRA

The collection also has a vibrating egg on the remote control, convenient both for training and for pleasure, which is very convenient to do with a partner by giving him the remote.
